

The Seismic Record Submission Checklist

Title Page

- 1a Full article title _____
- 1b Full author list _____
- 1c Corresponding author indicated and contact information provided _____
- 1d Conflict of interest statement _____
- 1e Word count (excluding references, figure and table captions; inclusive of Abstract, Declaration of Competing Interests, Data Availability Statement) _____

Layman Description

- 2a Layman Description included (150 words / 1 paragraph) _____

Abstract

- 3a Abstract included (200 word limit) _____

Manuscript Text

- 4a Text is double-spaced _____
- 4b Document includes continuous line numbering _____
- 4c Document includes page numbers _____
- 4d Citations in the text should appear by the name(s) of the author(s), followed by the year of publication in parentheses, e.g., Johnson and Smith (2017) _____
- 4e Data and Resources is included following the manuscript text and preceding any Acknowledgments _____
- 4f Data Availability Statement and Declaration included _____

Reference List

- 5a No more than 30 references listed _____
- 5b References should be arranged alphabetically by author and should follow the style of examples below.

Hough, S. E., and S. Martin (2002). Magnitude estimates of two large aftershocks of the 16 December 1811 New Madrid earthquake, Bull. Seism. Soc. Am. 92 3259-3268. _____

Gutenberg, B. (1959). Physics of the Earth's Interior, Academic Press, New York, 111-113.

Laster, S.J., M. M. Backus, and R. Schell (1967). Analog mode studies of the simple refraction problem, in Seismic Refraction Prospecting Albert W. Musgrave (Editor), Society of Exploration Geophysics, Tulsa, Oklahoma, 15-66

Miscellaneous Items

- 6a Full mailing address for each co-author
- 6b Complete figure captions list
- 6c Do not exceed 5 figures and/or tables

Figures

- 7a Submit figures as separate high-resolution files (that is, one figure per file) in either TIFF, JPEG, or high-resolution PDF format. Upload each figure file separately, making sure it does not exceed 10 mb per file.
- 7b Ensure that all figures are cited/called out within the manuscript text

Tables

- 8a Submit tables as separate Word document (.docx or .doc) format files.
- 8b Include captions above each table
- 8c Ensure that all tables are cited/called out within the manuscript text

Supplemental Materials

- 9a 9b If your article has Supplemental Material, submit the file(s) with an optional cover page as described at <http://www.seismosoc.org/publications/esupps/>.
- 9b Add a one-sentence description of the supplemental material to the Data and Resources section of your article using the following format: "Supplemental Material for this article includes ..."
